

**In the First-tier Tribunal
(General Regulatory Chamber)
Pensions**

Before: Judge Alexandra Marks CBE

Appellant: Enigma Hair and Beauty Salon Limited

Respondent(s): The Pensions Regulator

Further Case Management Directions

It is ordered that:-

The Appellant's appeal is struck out for:

- (a) failing to provide a full copy of the decision being appealed; and
- (b) failing to comply with the Tribunal's Case Management Directions dated 23 January 2025 and 24 March 2025.

REASONS

1. The Appellant was given two opportunities to supply a full copy of the decision they were seeking to challenge yet has failed to do so.
2. The Case Management Directions dated 24 March 2025 advised the Appellant that failure to comply with the direction to provide a copy of the decision and/or the attached "Pensions - right to appeal" form could lead to the Tribunal striking out their appeal under Rule 8(3)(a) of The Tribunal Procedure (First-tier Tribunal) (General Regulatory Chamber) Rules 2009 without further direction.
